

WHAT DO YOU WANT

Qu'est ce qui a encore comme problème
Je commence à en avoir assez
What do you want ? Me to go back to my plane and go back to France ?
Is that what you want ? Let them go, let them do
No, that's no danger, no problem, listen,
This not a method, this is a provocation, a provocation
Please you stop now... BONJOUR !

What do you want
You want me to go back to my plane
And come back to France
Is that what you want ?
This is not a method
This is just provocation
Now you stop
BONJOUR !

Let them do what they want
Yeah
Let them do what they want

This is not a method
